Photography

During the school year there are occasions when photographs of your child may be taken by staff of The Paideia Academy. Your authorization to use photo/s of your child in school division publications (brochures, annual reports, newsletters, etc.) is requested. Student names will not appear in these publications.

Please sign the photography section to provide the school with consent for photo usage.

Media coverage

From time to time the media may cover events or activities at your child's school. Whether or not you have concerns about your child participating in media coverage at school (being photographed, videotaped, interviewed) it is important that we know your wishes. Media coverage would include the use of your child's name.

Please sign the media coverage section to provide the school with consent for your child to participate in these activities.

Websites

The school's website (www.tpacharter.com) contains web pages for many of our programs. This tool is used to help the community learn more about our school and allows us to highlight student achievements and school activities. Anyone with the Internet is able to access these pages from virtually anywhere in the world. Student photos are sometimes posted on the school's website to showcase particular events or activities. Identification of students in photos is by first name and first initial of last name only. Photos of large groups, or action photos where students cannot be identified, may be posted without parental permission.

Signing this form will be deemed as consent for the school to allow your child to participate only as specified below for the 2007/2008 school year. Should circumstances change during the year, please notify the school immediately.
