

# Student Code of Conduct

---

By signing below, the student and parent acknowledge that they will read and following The Paideia Academy's Student Code of Conduct annually.

The standards of conduct listed in the Student Code of Conduct and the consequences following have been adopted by the Governing Board of Trustees. The Student Code of Conduct is designed to encourage student responsibility, respect for the rights of others and to ensure the orderly operation of a learning environment.

The student who commits an act of misconduct which is not specifically listed but which disrupts the orderly learning and/or educational environment will be subject to the authority of the classroom teacher and/or the building Principal, Executive Director, or Governing Board of Trustees.

The administration will use their best professional judgment in determining which disciplinary action will be most effective in dealing with the student's misconduct, taking into account the student's age and maturity, the nature of the seriousness of the infraction, the student's previous disciplinary record, and any other factors that the school's personnel deem relevant.

The disciplinary consequences apply to all students, although special procedures must be followed in regard to disciplining students identified with special needs.

The Governing Board of trustees reserves the right to amend, modify or change any provision, penalty or procedure in the Student Code of Conduct.

Students are responsible for following the rules and regulations established by the Student Code of Conduct and all amendments and revisions. Any amendments or changes to the Student Code of Conduct will be distributed during conference, parent meetings, or via postal services. Students are responsible for conducting themselves in a manner that is neither disruptive nor disrespectful and which does not violate the rights of others.
